Family Group Meetings

The Family Group Meeting (FGM) model provides children, families, and community members with an opportunity to make decisions that are family-centered, collaborative, and focused on the well-being and capacity of each person involved.

This approach encourages shared responsibility, open communication, and a collective commitment to fostering a supportive environment for the growth and development of all family members and safety of children.

Did you know?

At Social Care Solutions, we deliver FGMs with a commitment to fostering a collaborative and inclusive environment for everyone involved. We provide opportunity for all family members to be heard in the process, focusing on ensuring an entirely collaborative approach which includes a demonstration of persistence and an affinity for quality when information gathering.

What sets SCS apart?

- **Working Together:** Our FGM convenors prioritise collaboration, are persistent, are committed to quality and, a wholistic approach in information gathering.
- **Comprehensive Documentation:** We provide a detailed written summary of all information gathered and the process undertaken, alongside the high-quality and comprehensive case plan.
- **Experienced Convenors:** Our FGM convenors are well-known for their calm, inclusive, and detailed approach, ensuring that all participants feel safe and validated in their roles.
- **Digital Engagement:** We utilise the Mind of My Own app, offering a secure and engaging platform for exploring children's views in a digitally age-appropriate manner.

Why work with us?

Our dedicated team have direct experience working in partnership with the Department and have delivered hundreds of FGMs. We are committed to fostering a collaborative and inclusive environment, where everyone involved is heard.
