Training Solutions

Did you know?

At Social Care Solutions we offer a diverse and comprehensive suite of programs designed to elevate individual and team capabilities. With a strong reputation for excellence, our training options include online masterclasses on a variety of child protection topics, our bespoke Assessment Writing Workshop to fully tailored programs created to address your agencies unique challenges. We continue to evolve and tender to the specific needs of organisations who align with the common goal of keeping children and young people safe and empowering families.

What sets us apart?

- Our trainers are passionate and matched with projects in line with their personal skills and interests, resulting in packages that deliver quality content created from a real place of passion and integrity.
- We have several years in training development and delivery experience and have “learned through doing” how to create quality training package and co-design to meet the needs of our clients in bringing their idea to life.
- Our expertise lies in practical skill delivery, ensuring lasting impact.
- Our training packages deliver high-quality, relevant content built from genuine passion and integrity.
- Our trainers have practical experience in the sector and understand the pressures workers face when working in the child protection sector.

Why work with us?

Our expertise, personalised approach, and commitment to empowering individuals and teams with the knowledge and skills necessary to keep children and young people safe is what sets us apart as a trusted training partner.
